

Dacsa Group Quality Policy.

We, at Dacsa Group, Food Ingredients industrial Group, are pleased to share our **QUALITY POLICY** and undertake the distribution throughout the Company and to our stakeholders: suppliers, customers, and other interested parties. Our Quality Policy is also a reference framework to create and review general and quality goals for the Company.

◆ **Scope:**
People working at all sites in the Dacsa Group.

◇ **Goals:**

◆ **CUSTOMER ORIENTATION:**

We, at Dacsa Group, strive to support our clients in their challenges and growth, working with them closely, adapting to their needs and providing added-value solutions, always seeking to exceed their expectations and improving the Customer Experience as only way to the excellence.

We, at Dacsa Group, promote the improvement of the Quality and Food Safety Culture, monitor goals directly related to Quality and Food Safety, always collaborating with our stakeholders. Being aware of that Quality and Food Safety has a direct impact on the health and well-being of all.

We have implemented Quality and Food Safety Management Systems, designed to allow us to protect our products, services and costumers. These systems are based on continuous improvement schemes as key elements.

Through its implementation, we ensure compliance with applicable legislation, as well as internationally recognized standards (such are ISO 9001, BRCGS and GMP+) for both human food and animal feed, implemented through our organization and verified by independent certification bodies.

◆ **COMMITMENT:**

We, at Dacsa Group, are committed to the manufacture of quality products, safe and authentic food ingredients, creating value and confidence amongst our customers.

We promote communication and professional development of our employees to achieve excellence and continuous improvement of our processes.

We, at Dacsa Group work closely with our suppliers to ensure the high quality of our products. We are committed to working responsibly, creating value in a sustainable and respectful way, fulfilling the agreements established with all our stakeholders unconditionally, being a member of the United Nations Global Compact and sustainability platforms like SEDEX.

We, at Dacsa Group, will always behave in an ethical and consistent way, generating trust and respect in all our environments and promoting policies and measures to maintain a positive working life under the umbrella of our Ethics & Conduct Codes.

◆ **SAFETY:**

We, at Dacsa Group, proactively strive to protect the health and well-being of people, providing a healthy and safe working environment to ensure the highest level of protection and preservation of their assets and the environment.

◆ **EFFICIENCY:**

We, at Dacsa Group, develop high quality competitive products, constantly improving the processes and looking for the efficiency of material, natural and financial resources in order to eliminate the costs associated with poor quality.

◆ **Effective date:**

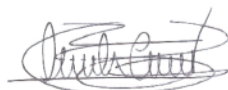

June 2022.
